

INTERMEDIATE WORKSHOP WITH JOY

Beginning Oct. 2, 2018 I will offer a 6 week course that covers the following subjects:

Week 1. Opening Leads

Week 2. Responses to one of a suit and responder's second bid.

Week 3. Overcalls

Week 4. Stayman Convention

Week 5. The Weak Two Bid

Week 6. Competitive Bidding and the Law of Total Tricks

This course is for the fairly experienced player who wants to improve and update their game.

This class is the same class that Keith Hanson teaches and makes use of his materials. For those of you who prefer an evening class we have made it available at night.

Each class starts at 6:30 and is 2 hours long, one hour of instruction followed by an hour of hand play that reviews the lesson.

The course is \$100 for all six lessons or \$20 for an individual lesson.

Reservations are not necessary.

Hope to see you then.
